Attractiveness and paragus, locar and a few at a time, to scald, Take them out with a skimmer and spread them on a clean cloth. Prepare a pickting Mr. William Q. Judge, the Theosophist, is mixture with white wine vinegar, one cunce The and cover the jars with lines three or four

> Not only are window gardens a pleasure to also to every passer-by. A kind hearted lady, ever thoughtful of others, whose home is on a who, less fortunate than herself are obliged to cern." remain in the city during the Summer. The Crown Princess of Sweden is an en-

thusiastic photographer. On her travels she Prof. Hugiey composes slowly, writing not more has taken a large number of interesting and excellent photographs. A collection of Her A man who claims to be the last male descendant Royal Highness's photographs, numbering of Pulaski is a peddler in Savannah, Ga. over 2,000 pictures, has just been exhibited at the National Museum, Stockholm. They are all from Egypt, illustrating the Crown Princesa's trip up the Nile, and most of them show considerable photographic skill on the part of the regal amateur, more especially perhaps, those from the island of Philae.

Had Seen Fnough.

His Nephew-Have you seen the Chinese quarter since you have been here, uncle? Uncle Rellins-No, I ain't, an' I den't canter. A leller passed an English one on wanter. A lelier passed an English one on me visterday, an' I can't git rid of it fer more twenty cents.

Bates-I don't see why you always invite that neighbor of yours on these trips-he doesn't fish, and he's fearfully dull company.

Hooker—Yes; but, my boy, those cigars he smokes are alraply immense for Reeping the mosquitoes away!

when you get through with me?

A Prudent Doctor. [From the Boston Transcript.]
Patient—I don't suppose you are particuar whether I pay you now or settle in full

I would be quite willing, as you say, to wait until I get through with you, but the fact is your will might be contested, you know, and I might get nothing at ail. Lack Experience O. Bach-One can easily tell that Slowit,

Doctor-Perhaps you'd better pay me now.

the paragrapher on the Morning Jorkelet, is

tartar wives and mothers-in-law.
Longwed You lack experience, my friend.
If Slowit was married he wouldn't dare jobs
that way. When the Good Didn't Die Young. "So you still insist that men were more honest in the olden days than now?"

It Was a Big One.

"That was the Hirgest and polsiest candoneracker I ever heard," said Trivvet after the explosion.
"But it seems to have met its match," replied bicer.
